Within the framework of the Erasmus+ Program KA171 2022, Odessa Polytechnic National University nominates the below-listed exchange students, to carry out an academic stay at Universitat Politècnica de València, during the first semester of the 2023-24 academic course.

The following members composed the committee for nomination:

Viacheslav Shobik, Chairman of the Commission	Vice-rector of the International Relations
Serhii Hutyria, Member of the Commission	Director of the Ukrainian-Spanish Institution
Katerina Humarova, Vice-Chairman of the Commission	Head of the International Relations Office

The exceptional circumstances that are being experienced in Ukraine as a result of the war started by Russia, has caused a significant alteration in our internal procedures and do not allow us to carry out a selective process as is usually done. Due to the technical issues caused by the lack of electricity and internet, we have informed the students that the application call will be published on the Project's website <https://erasmus-ka171.webs.upv.es/>

After contacting by email with the students, and considering their excellent academic records and other merits, such as their level of Spanish language, as well as their involvement in current online activities and the appropriate level of studies to take advantage of their stay at the UPV, the committee has decided to propose, the following students:
