Within the framework of the Erasmus+ Program KA171,

The exceptional circumstances that are being experienced in Ukraine as a result of the war started by Russia, has caused a significant alteration in our internal procedures and do not allow us to carry out a selective process as is usually done.

After contacting by email with the students, and considering their excellent academic records and other merits, such as their level of Spanish language, as well as their involvement in current online activities and the appropriate level of studies to take advantage of their stay at the UPV, the committee has decided to propose, the following students:
