Erasmus+ Staff Mobility - Call for Applications for 2025

The International Affairs Department (IAD) at GJU, is welcoming your online applications until the **31st of October 2024**.

What is Erasmus+ Staff Mobility?

Erasmus+ supports teaching and training periods for staff working in higher education institutions. With Erasmus+, you can teach or train at a higher education institution in an Erasmus+ program or Partner country.

Who can apply?

Current Information

ERASMUS+ Student
Scholarships
(/content/call-

Academic and administrative staff at GJU (regardless of individual period of employment or position at GJU).

People of all nationalities are welcome.

Persons with disabilities or chronic illness (can include physical, mental, or health-related conditions) can be funded with a real cost inclusion budget (proof needs to be given in the application, funding depends on the national agency in the partner country) to realize the mobility.

What are the application requirements?

Minimum level of B2 in English

German knowledge is an asset (for the German hosts)

In case of disability or chronic illness a medical letter and approx. estimated cost for the mobility needs to be handed in

What are the required documents for the application?

Application form

(/sites/default/files/International%20Affairs%20Department/erasmus_staff_mobility_applicatio

Updated CV in English or German

Letter of Motivation (one page)

Letter of recommendation by the dean/director

Language Certificates

Medical Report (if applicable)

Before applying:

Please check the websites of the possible host institutions

(/sites/default/files/International%20Affairs%20Department/gju_erasmus_partners_2025.pdf) carefully and choose at least one suitable institution for you (which department/entity/faculty at the institution could host you?). The host institutions will be updated continually.

H2/Magedburg-Stendal
Sur-Place Scholarships

Please discuss with your dean/director at GJU which institution would suit you and which might be useful for the requested purposes in the letter of recommendation

Please consult your dean/director for a suitable time of your mobility (for the majority of the hosts, the mobility period is only possible until the end of 2025)

Please note:

The mobilities will have an approximate duration of five working days, so you will be absent for one working week from GJU (extensions to two weeks **may be possible**)

The funding depends on the host institutions, the average is 360 EUR travel lump sum plus 160-180 EUR per mobility day

All mobilities have to be completed by 31.12.2025 at the latest, some earlier (e.g., 31.07.2025)

Please do not contact the host institution by yourself, all communication will be through the **International Affairs Department** at GJU

The selection criteria will consider past participation in mobility programs to Germany (staff who have never participated in any mobility to Germany via GJU will have a priority)

What are the selection criteria?

CV and letter of motivation (**weighted 30%**)

Performance in the assessment center (**weighted 70%**)

How can I apply?

Please send all the following required documents in **one PDF file** by **Thursday, 31st October 2024**, to rand.alqatawneh@gju.edu.jo (mailto:rand.alqatawneh@gju.edu.jo):
