

Nomination Call: Erasmus KA171 Student Mobility

Under the **Erasmus KA171 project**, MNU has received an opportunity for **one Student** from a Master's degree program related to geospatial technologies to complete **one semester** at *Universitat Politècnica de València, Spain*. The mobility will take place during the **Spring Semester (February–July)**.

- **Number of Participants:** 1
- **Period of Travel:** Spring Semester (February–July) 2026.

- **Eligibility:** Currently enrolled Master's student at MNU with a valid passport

Application Link: <https://forms.gle/ky1hLrWX8vt3sSbE9>

Please submit nominations (with required documents) by **29th September, 14:00 hrs.**

To ensure a fair and transparent process, MNU will use the following selection criteria:

1. Leadership Roles (50% weightage)

Priority will be given to students who have held leadership positions at MNU for more than one semester, especially those active in the Student Union and WINGS. Applicants must submit a CV and supporting documents verifying leadership roles.

Assessment will consider:

- **Leadership Impact:** Positive contributions to the union and student body.
- **Initiative & Innovation:** Ability to propose and implement new ideas, projects, or reforms.
- **Commitment & Participation:** Consistent involvement and willingness to take on responsibilities.
- **Team Collaboration:** Capacity to work well with peers and foster teamwork.
- **Advocacy & Representation:** Effectiveness in representing and addressing student needs.
- **Mentorship & Development:** Contributions to guiding and supporting fellow students.

2. Academic Standing (25% weightage)

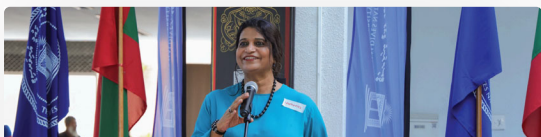

3. Academic Performance (25% weightage)

- Must have passed all subjects attempted in the last semester.
