

Call for applicants

Within the framework of the Erasmus+ Program KA171 2025-2028, Igor Sikorsky Kyiv Polytechnic intends to nominate exchange students to participate in a short stay for the Blend Intensive Program "ENHANCING Sustainable communication, professional competences and AI" (BIP ID: 2025-I-ESO1-KA131-HED-000316285-2) at the Universitat Politècnica de València, in March 2026.

Due to the exceptional circumstances in Ukraine resulting from the war with Russia, where access to centres is impossible, and electricity and internet access are limited to a few hours per week, the official internal nomination procedure of the Igor Sikorsky Kyiv Polytechnic Institute (KPI) cannot be carried out as usual.

However, this call for nominations to participate in short-term training activities at the UPV has been prepared, adhering to the transparency and objectivity requirements established in the Erasmus+ procedures, according to the following steps:

The call has been published on the KA171 project website.

The KPI Academic Mobility Office has provided this information via email to staff who may be interested in participating based on their field of study.

The selection committee, composed of the academic mobility coordinators, will select the most suitable candidates based on ability, based on the following merits:

1. Level of English communicative competence.
2. Experience in online teaching activities.
3. BIP academic area related to its academic activity in KPI.

After evaluating the applications, the list of staff proposed for nomination will be published.

Andrii Ahysolin,
Vice-Rector for Scientific and Pedagogical Work (International Relations)
Head of the Selection Commission.
