

INVITATION LETTER

The Universitat Politècnica de València – UPV informs that:

Within the framework of the Erasmus+ 2025-1-ES01-KA171-HED-000317840 project, the following Students:

Name	Surname	Passport Number
Oleksandr	[REDACTED]	[REDACTED]
Bohdan	[REDACTED]	[REDACTED]
Dmytro	[REDACTED]	[REDACTED]
Anastasiia	[REDACTED]	[REDACTED]
Kateryna	[REDACTED]	[REDACTED]

have been invited to participate in the Erasmus+ Combined Intensive Programme (BIP) "ENHANCING Sustainable communication, professional competences and AI", which focuses on cooperation among technical universities within the ENHANCE Alliance. This BIP, coordinated by UPV and organised in collaboration with the prestigious Ukrainian University, Lviv Polytechnic National University, aims to equip attendees with the skills to communicate technical information effectively while emphasising sustainability.

The programme combines online learning with an intensive in-person workshop, fostering collaboration across disciplines and cultures.

Intensive In-person Spring Workshop at UPV will take place from March 9 to 13, 2026. The scholarship for each student covers:

- A total amount of EUR 553
- A travel grant of EUR 395

The beneficiary is responsible for contracting medical insurance that includes repatriation expenses.

Valencia, on the date of signing

Francisco Gómez Català
Head of International Office
